This is basically what happened during the Balkan Wars in communist Yugoslavia, which emerged shortly after the end of World War II, was made up of six republics: Slovenia, Croatia, Serbia, Bosnia, Montenegro and Macedonia. The town where Selco lived was held under siege for over a year in what he calls "One Year in Hell".

Selco's story, while unique to his circumstances, offers universal lessons on the importance of being prepared not just for survival but for living in accordance with our values when tested by fire. "The SHTF Anthology" is more than a survival guide, it's a philosophical inquiry into what it means to be human in the face of catastrophic change.

Both GfN and Selco do not ride on the success of the past, rather they always have the future firmly in sight. ... namely on one hand in the production of high-quality products from the company GfN, and on the other hand in the long term experienced distribution of innovative active substances by Selco. In this set-up, one hand always knows ...
