TechRack provides top of the line server rack enclosure cabinets for any data center environment, large or small. Cabinets are compatible with 19&quot; rack mount equipment from all computer ...

Mounting holes are spaced 16 inches apart to accommodate standard wall studs. Equipment installation is easy with threaded mounting holes that support 12-24 mounting in two-post racks.

The horizontal spacing of the vertical rows of holes is specified by EIA-310 at 18 5/16? (18.312) (465.1 mm). This dimension is not well maintained on some racks, causing problems with ...
