Combining a Solahart PowerStore™ system with a compatible Home Energy Management System (HEMS) will result in greater savings. Your Solahart dealer can put you in touch with a selected HEMS provider. Adding HEMS to your Solahart PowerStore™ system allows you to purchase energy when it is cheaper by shifting loads away from peak demand periods.

Gert Smit Testimonial It's very rare nowadays to deal with anyone that give you what they promise. This happened t... Della Dyble Family Solahart took care of everything and still check on me today.
