Harness the Power of the Sun. I took Straton Solar's advice and explored options under Section 12b of the Income Tax Act - as a consequence the payback for my business on an installation of over R650 000.00 was from Day One. The monthly production from my 27 kWh system slashed our electricity bill by over R7500.00 per month!

Looking for residential solar, commercial solar, industrial solar, inverter systems, hybrid solar, off-grid solar, grid-tie solar in Port Elizabeth, Eastern Cape? Get quotes from solar panels specialists now, with no obligation to hire on Uptasker.

The number of panels needed times the area each panel takes equals the amount of space needed to install the solar panels. Using the assumption that the solar panel is approximately 162 &#215; 98 centimetres in size, 1.59m<sup>2</sup> x 9 equals 14.31m<sup>2</sup>.
