South Sudan is also the first country where SolarSPELL deployed Library Labs--six tablets, two batteries and a solar panel in a waterproof suitcase--to each pilot school, because of the limited local availability of WiFi-capable devices. Thanks to the efforts of EmpowerKids-South Sudan, the East Africa version of the SolarSPELL Education ...

In 2011, Sudan lost three-quarters of its oil production when it split from South Sudan [10]. As a result, the constantly increasing energy gap is covered by importation from the international market [2]. Hence, the country's economy and energy situation are worse after South Sudan's referendum, raising questions about alternatives.

For South Sudan we stock mainly Yamaha and Honda. The most popular motorcycle in South Sudan is Yamaha DT125 and we have sold a lot and accordingly we also keep a big stock of genuine spare parts for these. The other popular model from Yamaha is DT175 and that one we supply as well. We supply mainly brands like Honda, Suzuki and Yamaha.
