Explore FIAMM industrial batteries designed for long-lasting power & reliability. Smart Elemech offers the best in energy storage solutions for your business. Call us +971 67043799

FIAMM Batteries FIAMM Reserve Power Solutions is an internationally recognised leader in the development and supply of a wide range of industrial batteries and energy storage systems. We design and manufacture backup power solutions to guarantee the continuity of the energy supply to the critical applications when the main power is cut off.

FIAMM Energy Technology is a multinational company engaged in the production and distribution of batteries and accumulators for motor vehicles and for industrial use born following the separation from FIAMM Group of the business of automotive batteries and industrial batteries with lead-acid technology.

The FIAMM 12 FLX 350 VRLA, high-performance, high density battery offers a compact footprint for cabinet or rack installations. With its long float life and maintenance-free design, the FLX is ideal for UPS, security systems and emergency lighting.
