

My mother bought a 4 Patriots "Solar Generator" because a friend has one. It's a battery and inverter in a case with a 100watt solar panel. It was sold as having a second free 100W solar panel included. The additional panel was supposed to ship at a later date. Later is right, because it still hasn't arrived, nearly 2 months later than promised.

Arrives 95% charged and ready to go--no assembly required ... Both generators have packages that include a solar panel, but the Patriot Power Generator 1800 offers much faster charging capabilities via both solar and AC wall charging than the Jackery Explorer 1000.
