Shanghai Huayi Group will take over the operations of Moltech Power Systems, a Gainesville, Fla., company that makes rechargeable batteries and that filed for Chapter 11 protection last year.

Moltech Power Systems (Gainesville, FL) has launched their nickel-metal hydride (NiMH) battery solutions for hybrid-electric vehicles (HEVs) and other battery-assisted vehicles. Utilizing high-power, high-drain NiMH technology, Moltech has developed an HEV battery, which they maintain is smaller, lighter and capable of providing comparable power to ...

THE Chinese Government yesterday made a groundbreaking move into American manufacturing with the acquisition of Moltech Power Systems, a bankrupt battery-maker from Florida. The negotiations, however, were as unconventional as the deal itself as they were undertaken in part by Christopher Higgins, a 14-year-old schoolboy who is the son of Marty ...
