Living in the U.S. Virgin Islands is significantly more expensive than in many parts of the U.S. The cost of housing is high, with average home prices well over \$500,000. Essentials like groceries and utilities are about 33% more expensive due to importation costs. Electricity rates are among the highest in the nation, and even basic services ...

St. John is Best for: Hiking, nature watching, and solitude. You won't find crowds on St. John. That's because the island doesn't have a major airport -- most people take a ferry from St. Thomas, roughly three miles away -- and because nearly two-thirds of the island is protected as a national park. Once you get there, you won't find much in the way of public ...

Arriving on Tortola after a short ferry ride from St. Thomas.
