

Founded in 2002, Huijue Group is a leading Energy Storage Equipment Manufacturers, a high-tech service provider integrating intelligent network communication equipment, new energy and applications. Huijue Group ...

Product Introduction. Huijue Group's Industrial and commercial distributed energy storage, with independent control and management of single cabinets, has functions such as peak shaving ...

Elevate your industrial high-voltage energy storage with our state-of-the-art 192V100Ah LFP Batteries. Designed for longevity, these batteries boast an impressive 2000 life cycles, high ...

The United Arab Emirates, a beacon of progress in the Middle East, has set its sights high. Recent reports suggest that the UAE aims to deploy a staggering 300MW/300MWh of battery energy storage system (BESS) ...

32 ????&#0183; 1. High Energy Capacity: With a capacity of 215kWh, this ESS is ideal for medium- to large-scale applications, from industrial facilities to community microgrids. 2. Modular ...

Huijue's cutting-edge Liquid-Cooled Energy Storage Container System, armed with 280Ah lithium iron phosphate batteries, fuses cutting-edge design principles. Boasting intelligent liquid ...

Product Introduction. Huijue Group's new generation of liquid-cooled energy storage container system is equipped with 280Ah lithium iron phosphate battery and integrates industry-leading ...
