

Vareo's sustainable energy business objectives are derived from the United Nation's Sustainable Development Goals (SDGs). These provide for a comprehensive criteria against which to benchmark our own achievements as we strive to conduct our day-to-day business activities in such a way so as to be beneficial to the environment, the communities in which we work, ...

RS Vareo Boat Register / History The boat register history has been built up over many years by owners of the boats entering their own details. If you see a boat number missing or a boat that you have previously owned but the entry is not there, please enter the details as a new entry.

Vareo employs a variety of water storage solutions, above and below ground dependent on capacity requirements, application, treatment and quality requirements. This is often driven by ambient temperature, system volume off-take, applicable flow rates and staged holding tanks which may or may not be combined with treatment, for example, chemical ...

À l'origine, le grand-père de Jonathan et Jérémy se lance en 1968 en rachetant un atelier de bobinage à Draguignan, au coeur du Var. Ceux-ci, après leur père, font aujourd'hui perdurer et évoluer l'entreprise familiale, connue alors sous le nom « Gay & fils ».. Rejoint par Cédric Pollin, ils forment aujourd'hui Varéo, une entreprise locale qui a su préserver ses domaines ...
