On September 28, 2021, OPRA Turbines B.V. has entered into a distribution agreement with Silent-Power AG. Silent-Power AG (with its business unit Econimo) is a well-funded start-up company from Switzerland, specializing in Zero Carbon CHP solutions using green Methanol as fuel. While offering turnkey CHP solutions, they also guarantee a long-term supply of Methanol ...

Cliente: FujiFilm Europe B.V. ... As part of this transition, the OPRA company name will be changed to Destinus Energy. The OPRA OP16 product name will remain unchanged and will continue to be used to identify our gas turbine products in the oil & gas, industrial & commercial, waste to energy and marine VOC destruction markets.

Customer: FujiFilm Europe B.V. ... As part of this transition, the OPRA company name will be changed to Destinus Energy. The OPRA OP16 product name will remain unchanged and will continue to be used to identify our gas turbine products in the oil & gas, industrial & commercial, waste to energy and marine VOC destruction markets.

Destinus Energy has references in this application. Commercial. Commercial buildings such as hospitals, hotels, universities, and shopping centers often require an independent energy source with a small footprint. If in addition high-temperature heat is needed e.g. for steam production, Destinus Energy can provide the perfect distributed energy ...

Los gases de pozo frecuentemente se queman en antorcha o eliminan en esta etapa de la producción de petróleo y gas. Estos gases asociados con frecuencia están contaminados, por ejemplo con H2S o alto contenido de hidrocarburos pesados, por lo cual son muy difíciles de utilizar para generar energía.

The OP16 Gas Turbine is well known for its fuel flexibility. The gas turbine has a dual-fuel combustion chamber with switching between liquid and gaseous fuels under load; the widest range of acceptance of the LHV of the fuel within power generation industry, from 5 MJ/kg; the ability to work with dynamically changing fuel composition; proven resistance to contaminated ...

Low-cost turbojet engine with 1300 kg-f of thrust for Destinus E and Destinus G. Reduced weight and lower mechanical complexity than competitors. Learn more. 24/7 HOTLINE +31742452127. service@destinus.energy. Our global customer service . DESTINUS, ©2024. Flight. Energy.
