

What is Western Sahara resource watch (WSRW)?

Western Sahara Resource Watch (WSRW), an NGO registered in Belgium, has been the most prolific in terms of publications in this area. We first review WSRW's body of work, then move on to look at research by other NGOs, then finally we review non-fiction book chapters and monographs.

Is the Sahara based on economic resources?

The idea of the economic viability of the SADR being based on its economic resources is also found in Shelley (2004) and echoed by MINURSO and UN Special Envoy to the Sahara, James Baker. Kingsbury (2015) establishes that Western Sahara is illegally and militarily occupied by Morocco.

How many reports has WSRW produced on occupied Western Sahara?

WSRW has produced four reports on the energy industry in occupied Western Sahara, two on renewables and two on oil and gas. Totally Wrong (2013b) focuses on the activities of the Total oil company in occupied Western Sahara.

Is Western Sahara an interdisciplinary field?

"Western Sahara, Resources, and International Accountability." Global Change, Peace and Security 27 (3): 285-299. The production of research on natural resource exploitation in Western Sahara is accelerating. Yet this field remains interdisciplinary, and the work is carried out by researchers from academic, no...

Is Western Sahara a self-governing territory?

However, as noted above, the general trend is to view Western Sahara as a non-self-governing territory and apply Chapter XI of the UN Charter (Saul 2015), which establishes that only the state - and not the individual - is responsible.

Can Sahrawis take advantage of mineral deposits in Western Sahara?

This Earth Sciences paper seeks to help Sahrawis living in exile and the liberated zone of Western Sahara to take advantage of the mineral deposits in their territory. The authors' research develops a low-cost exploration methodology based on inexpensive remote sensing data.
